“For the word of the Lord is right and true; he is faithful in all He does.”

Psalms 33:4

*A thought from our Principal:
Mrs. Tania Anway*

During my time away I spent many hours simply looking out over the ocean, looking out for whales and enjoying the surfers who spent hours sitting waiting for the perfect wave. I would also spend time watching the people who would pass by on the beachfront. I wondered who they were and where they came from. The beautiful glistening sand had many people walk up and down upon it; hour upon hour people would spend their time doing the same thing. While the tide and storms may have changed the shape of the beach over the years, the sand never once swapped places with the ocean.

Our staff team took part in the THACCCSA Mid-Year conference which was held the week before school recommenced for term 3. The guest speaker reminded us that we need to hold true to our purpose as a Christian school. Our purpose is to “educate with excellence, the whole child, so that they might grow up into the full maturity of Jesus Christ.”

Our God is faithful and He never changes. He never says one thing and does another; His love never fails! As our school grows and our community changes with new families and children coming, we remain focused on our purpose. While we may change the colours of our buildings; the way in which we use our learning spaces; the outward appearance of the setting in the school, we will follow the lead of God and remain faithful to the calling He has placed on our lives as educators. As part of our school community, we are focused on doing the best for each of our children. We do not follow trends without thought. We consider how we can give opportunities for our children to express their God-given creativity.

Just as the ocean and sand have never swapped places, we strive to remain constant and faithful to our calling.
